

ZIPAIR obtains Air Operator's Certificate

July 5, 2019

Today, July 5, ZIPAIR Tokyo Inc. obtained an air operator's certificate from the Ministry of Land, Infrastructure, Transport and Tourism for the launch of international medium- and long-distance LCC flights. This certificate was granted in response to an application submitted on March 8 in accordance with Article 100 of the Aviation law. The contents are as follows.

(1) Aircraft: Boeing 787 -8 (Seating capacity: 290 seats)

(2) Flight Route and Tentative Start Date

- Tokyo (Narita) = Bangkok (Suvarnabhumi) from May 14, 2020

- Tokyo (Narita) = Seoul (Incheon) from July 1, 2020

Note - The application for the schedule of operations will be applied at a later date.

With this approval, the Company is committed to ensuring the safety of every single flight and will prepare to enter service as a new airline that offers value to customers.
